24 June 1980Extract from the Staff Meeting Minutes of 23 June 1980

Clarke said NFAC [] Soviet troop withdrawals from Afghanistan including military unit identities and destinations; he noted the units involved are not departing via Kabul. He said also this information had been forwarded to the President ahead of the Soviet announcement. Several attendees noted that specifics in Dr. Brzezinski's public comment on this over the weekend suggest intelligence sources. Accordingly, Mr. Carlucci asked that a damage assessment be looked into, for his possible use with Dr. Brzezinski. (Action: NFAC) []
